Chief Legislation Staff/OLC, passed along your request for Title IV. Attached is a marked up version of Title IV as it now stands. The major issues deemed to require SCC review were acted upon by the SCC at its 15 May meeting; thereafter the Agency was left to negotiate its individual entity charter directly with the SSCI staff. Subsequently, CIA representatives met with the Senate staff to discuss Title IV; the underlined portions of the attached indicate modifications suggested by the CIA and accepted by the staff. The annotations represent additional modifications proposed by CIA. The Senate Committee staffers have not yet pronounced themselves on these modifications.
